

*A Story of Hope*

When FH staff began walking alongside Avegail's community in the Philippines, she participated in after-school activities that began to change her life. That's because friends like you helped provide young Avigail with opportunities to read the Bible, sing praise songs, and learn how to pray. Avigail is now loving and respectful to her family and friends, and is excited to continue learning about God and His plan for her life.

A LIFE-CHANGING GIFT  
has been given  
**IN YOUR HONOR**

This is the most life-changing, lasting gift of all. Your generosity will share Jesus' love with the most vulnerable worldwide. It will disciple them in faith and offer the eternal hope that comes with knowing God.
